# Our Venue

Our story begins on Pilgrim Street, where Hotel Gotham now stands. Once the old fire station, police station and magistrates' court, the Grade II listed building has been painstakingly restored, retaining original period features.

It is the perfect 5-star setting for your meeting, private dinner party, corporate event, birthday celebrations, or wedding reception.

At Gotham, we pride ourselves on our sense of decadence, whilst offering a modern and comfortable experience. We truly see the importance of luxury, style, and balance and with this, we are not too taken by the idea of compromise.

Our private hire spaces provide an unforgettable backdrop, complemented by thoughtfully crafted food and drink menus from our talented kitchen and bar teams.
