

FIRE

Our menu covers are manufactured by Elvis & Kresse from recycled fire hoses which after a distinguished career fighting fires eventually get retired. They couldn't bear to see this heroic material simply going to landfill. Since 2005 they have been perfecting the technique of turning these decommissioned hoses into an exciting alternative textile – beautiful, characterful, robust and mostly red, although some other colours are available! 50% of the profits from Elvis & Kresse fire hose products are donated to the Fire Fighters Charity.
