## PMD Herbal infusions

### Rooibos

Unique to the western cape of south Africa this bright orange infusion that is rich in vitamin C, iron and magnesium.

### Peppermint Leaves

A cherished herbal tea that has been used for centuries to aid digestion that leaves a fresh minty tang to the mouth. Best enjoyed after a meal as a pallet cleanser or a digestive aid.

### Lemongrass & Ginger

Aromatic and refreshing, the fusion of fresh, zesty Lemongrass with spicy, sweet Ginger produces an uplifting herbal concoction.

## PMD Teas

### Specially selected by Gotham

#### Planters' Mistress

A scandalous take on a much-cherished aristocratic classic. Alight, golden tea scented with bergamot, orange and lemon peel that leave the pallet feeling refreshed with a pleasant citrus flavour.

#### Planters' Afternoon

The traditional afternoon tea of cakes and sandwiches is best taken with a bright and fragrant tea. This award-winning afternoon tea is handpicked on the rolling hills of ceylon's Uva region.

#### Planters' Earl Grey

The most aristocratic of teas is infused with the unmistakable aromas of bergamot. To balance the citrus, you need a bold tea. This Earl Grey is handpicked and infused with a drop of natural bergamot oil.

#### Planters' Green

Grown on the high peaks and hand plucked to fully satisfy the green tea connoisseur, a large leaf tea curled and pan heated to produce a light mellow brew with a delicate flavour and aroma.

### Planters' Chai

A spicy taste with hints of cinnamon, this tea is made using natural Ceylon spices, which are then carefully married with high grown tea to give a brew that is both reviving & calming.

### Waldemar Roasted Oolong

Grown 6000ft on Waldemar estate, this oolong is the perfect autumnal brew. The deep roasting process produces a rich tea with fragrant notes of poached pears with a deep nutty finish.

### Silver Tips

A rarity among the distinctive white teas. These silver tips are handpicked before sunrise on Brunswick estate, Maskeliya. It takes almost 5 kilos of hand-picked buds to produce 1 kilo of this very special tea. There is subtly woven within the intricacies of this tea, which contains a aromatic scent and a matchless taste that varies with each brew.

### Mattakelle Golden Curls

A fusion of Japanese and Sri Lanka flavour. Golden curl is grown on Mattakelle Tea estate on the western slopes of Sri Lanka. The tea is harvested from a Japanese tea bush known as Benifuki that was gifted to the estate. The tea is harvested from one leaf and a bud. It has a natural rosy aroma with a jasmine floral flavour. Best enjoyed with pastries and without milk.

### Serendipity Souchong

A tea which flourishes at sea level and is gently smoked over cinnamon wood, furnishing it with a fragrant smoked note. The finish in this cup is a whisper of spicy sweetness and splendour.
