

CHAMPAGNE
TAITTINGER
Reims

Our origins date back to 1734 when the original House was founded by J. Fourneaux. The family Taittinger link was established in 1932 when the founder of today's company, Pierre Taittinger, acquired the House. He was stationed at the Château de la Marquetterie in the Champagne region whilst serving in WW 1 and fell in love with this remarkable property. Today our Reims-based House is headed up by Pierre's great grandchildren: Vitalie Taittinger as President and her brother Clovis as Managing Director.

We are the third largest domaine vineyard owner in the Champagne region, supplying more than half our needs. This gives us unique control of quality from vine to bottle and a consistency of style. One of the hallmarks of Taittinger Champagne is the high percentage of Chardonnay we use, from our Non-Vintage Brut Réserve to our prestigious Comtes de Champagne Blanc de Blanc, made solely from this majestic grape. Chardonnay offers elegance, delicacy and finesse to our Champagnes and with our friends at the Hotel Gotham we are proud to share this style with you today.

We are delighted to be working in partnership with the Hotel Gotham team; Vitalie Taittinger, like Hotel Gotham, appreciates the finer things in life. The fabulous Lutyens room and its Art Deco splendour is the perfect setting for a glass of our golden bubbles.
